

For our clients,
leading bulge bracket investment banks & independent financial advisory groups,
we are continuously searching for new

Analysts & Associates (m/f/d)

to join their Frankfurt based General Execution Teams.

Your responsibility:

- Modelling and/or supervising financial valuations, e.g. DCF, multiples
- Preparation of info memoranda
- Preparation and coordination of due diligence process
- Transaction structuring
- Participating in contract negotiations
- Co-ordinating 3rd party advisors
- Supporting coverage effort and attending marketing meetings
- Building sector expertise and market knowledge

Your profile:

- Strong academic background in a relevant field, e.g., Business Administration or Finance
- Three to five years of work experience in corporate finance with a demonstrable track record of success in transaction execution
- Strong Financial modeling skills and company valuation knowledge
- Excellent presentation, communication and interpersonal skills
- Ability to navigate in an international firm
- Proficient PC skills, especially advanced knowledge of MS Excel, Word and PowerPoint
- Fluent German and English, both oral and written
- Highly motivated and results-orientated, committed to quality
- Professional and hardworking
- Team-spirited
- Thrives in an international environment
- Performs under time constraints
